566 ACADEMIC ELIGIBILITY

PURPOSE

This policy outlines the academic criteria for participation in extra/co-curricular activities.

I. PROCEDURE

A. The middle school and high school will establish a regular date on which teachers will report a student's academic eligibility.

B. If a student is working below an expected level of performance in his/her classroom on the eligibility reporting date that student will be ineligible to participate in the next scheduled competition.

C. If a student is working below an expected level of performance in his/her classroom on any subsequent eligibility reporting date during the same term as the first eligibility suspension, he/she will be ineligible to participate in competition for two weeks or until the end of the season, whichever is shorter.

D. If a student receives a final grade of "F" for a class, he/she will be ineligible to participate in competition/performance for a period of two weeks beginning with the next scheduled event.

E. The middle school and high school will publish academic eligibility guidelines, including review dates and the grade level that determines an expected level of performance.

F. The Activities Director will review academic eligibility guidelines with parents and student participants at the annual eligibility meeting.

II. ACADEMIC ELIGIBILITY -- EXCEPTIONS

A. Any student enrolled in the Special Education program will be considered on an individual basis.

1. A committee formed of the principal, guidance counselor, instructors involved in failing grades, and the case manager will decide if the student is working up to his or her ability.

2. This committee will determine eligibility status.

III. ACADEMIC ELIGIBILITY -- PARTICIPATION

A. A student who is declared ineligible will be expected to participate in all practice sessions during the period of ineligibility.

B. A student who is declared ineligible will not participate in any competition, exhibition, or performance during the period of ineligibility.
